Release PV8.5.0 SV101

The theme for this Hotfix release is maintaining solution functionality.

Compatibility

- This release requires a minimum 8.5 Platform release.

Upgrade Information

- This release supports a reinstall over the existing installation. Reach out to your OneStream Software representative for questions regarding this process.
- OneStream strongly recommends uninstalling the UI for Navigation Center before installation. Any modifications to settings must be redone.

Documentation

- Only the Release Notes were updated for this release. The *Navigation Center Guide* has not been updated except to change the release number and copyright if needed.
