SensibleAI Agents Release PV9.3.0 SV100

This is the initial release of SensibleAI Agents.

Compatibility

- Minimum Platform Version 9.0.0 is required v9.3.0.

Notes

- A service account, named wernicke.server, will be added to the environment and looks like a user. It is used for scheduled jobs required within SensibleAI Agents. For example, we run a user sync to make sure SensibleAI Agents is up to date with OneStream users. Please reach out to implementation partner/team or support for more information.
